INDIVIDUAL PHOTOS & VIDEOS

Please choose one option. This choice applies when your child is clearly featured or recognizable individually in a photo or video used by Little Me, including program updates, the Little Me website, social media or printed materials.

☐ YES, I give permission for my child to be featured individually in photos or videos.

☐ NO, I do not give permission for my child to be featured individually in photos or videos.

GROUP PHOTOS & VIDEOS - PARENT ACKNOWLEDGEMENT

☐ I understand that my child may appear in group photos or videos during concerts, performances, field trips, community outings and other group experiences. Because these activities include many children, it may not always be practical to exclude or crop every child from each group image or recording.

This acknowledgement does not give Little Me permission to intentionally feature my child individually if I selected NO above. Little Me will continue to use reasonable care and professional judgment when taking and sharing photos or videos.

Please note: Your individual photo/video choice may be changed or withdrawn at any time by written notice to Little Me. Families and guests may also take their own photos or recordings at family-attended events; Little Me cannot control images independently taken by others.
